

**Safe Sanctuaries Policy and Guidelines
Annual Renewal Form**

I have already completed and signed a Safe Sanctuaries Volunteer application that is valid for three years and have submitted it to the church office. With this signature I agree that I have read over the policy again and accept the policy and guidelines as stated on this day. I understand that if anything should change on the application I have submitted or if I should remember some detail which was omitted that I am to notify the staff liaison of my ministry area immediately.
